Dear Sandi,

Hi. How has your summer been so far? Mine has been fine. I have met (Sabai Edwards) you would like her. She is a nice girl. Do you have a boyfriend? If you do, you are all your friends. I'm not since you have not been here. I have fun with you a lot of times. But don't worry about it in these past few years. Because I'll be here next year. Take it easy. Have fun there. Love ya, Sandi

Sandi,

Guess what? I'm going to be a Junior next year. Can you believe it? Time flies so fast. Only 2 years left at H.P.H.S. Then we're out of there. Have you decided what you're going to do after graduation? I'm not sure yet. I'm thinking about going to college. Maybe I'll get married. Who knows? Anyway, I'm glad we're friends. Always, Jackie

P.S. Have fun this summer. Write soon.

It sure was neat running into you this summer. I hadn't really seen anybody out of town. So now I suppose your loaded with dough now?! I'm gonna have fun these last two years cuz I'm gonna miss your class.

Eighty One -and you were there

Hendrum-Perley High is a very special school. The friends I have made and the experiences I have had, are worth their weight in gold. The students and teachers have made this a special place and I know that it will always stay that way in my mind. This book was written in hopes of capturing the mood of the year 1980-1981. After all, it was Eighty-One and you were there. As editor I would like to present.....

Dedication

Few teachers have reached their students the way Mrs. Shirley Holtse has. Not only has she taught the last 400 graduates of H.P. the basics of the English language, but she has actually given us a better perspective of life, through the use of our own language. Over the past years at Hendrum-Perley High, Mrs. Holtse has given her all for her students. As a small token of our appreciation, the yearbook staff of 1980-1981, would like to dedicate this.....

As the school year has come and gone, we have realized exactly how much of our lives are still here at Hendrum-Perley High. As we grow older and (hopefully) wiser, we all must make adjustments. For you, as students this means entering a new and more exciting grade, full of anticipation, wondering if you will survive another year! For the seniors the adjustment means a whole new life. This could be a new job, marriage, a new school, or whatever the future holds for us. Your senior year will be one of the best times and one of the most uncertain times. You too will come to realize what a big factor Hendrum-Perley High has been in your life. We sincerely hope that this yearbook will be a special reminder of the 1980-1981 school year. To you, the student body at H.P.H.S., we would like to say thanks for the memories!

The Seniors.

Aunt Sue

Sandi,

I hope you have fun in all the years you have left. Remember, I made it, you certainally can! Do every thing you can! Don't forget all the fun we had in the Summer of "81". Though I still wish we had had more time. Don't forget all the guys who had their eyes on you at the party (KG)! Like Allen, though he's too old. (22) But Mike Rosté was just right! (good lookin guy!) You'll have to get together with him. Next summer when I am back from the Air Force (on leave) You will have to come and visit me in good old D.L.! Probably around July 4th, when all the cute hunks from Cunuck land and all over are in D.L.! But, you'll have to stay over by yourself, so we have more freedom! Don't forget about me once I leave! I am counting on you to write me! Keep Good Care of Your Self! (Cause I love You!) Don't make the same mistakes I made, and you know what they are! "God Bless"

Love You Forever,
Your Aunt,
Jami
